ABOUT US

Stilvit was established in the Diyarbakır province in 2000, and is the largest ceramic sanitary ware manufacturer in the region with 25 years of production experience.

Stilvit has 135 employees, a daily production capacity of 1,500 units and a structure consisting of 10,000 m2 closed area, 5,000 m2 stock area, 2,000 m2 management offices, showroom, R&D department and laboratory areas.

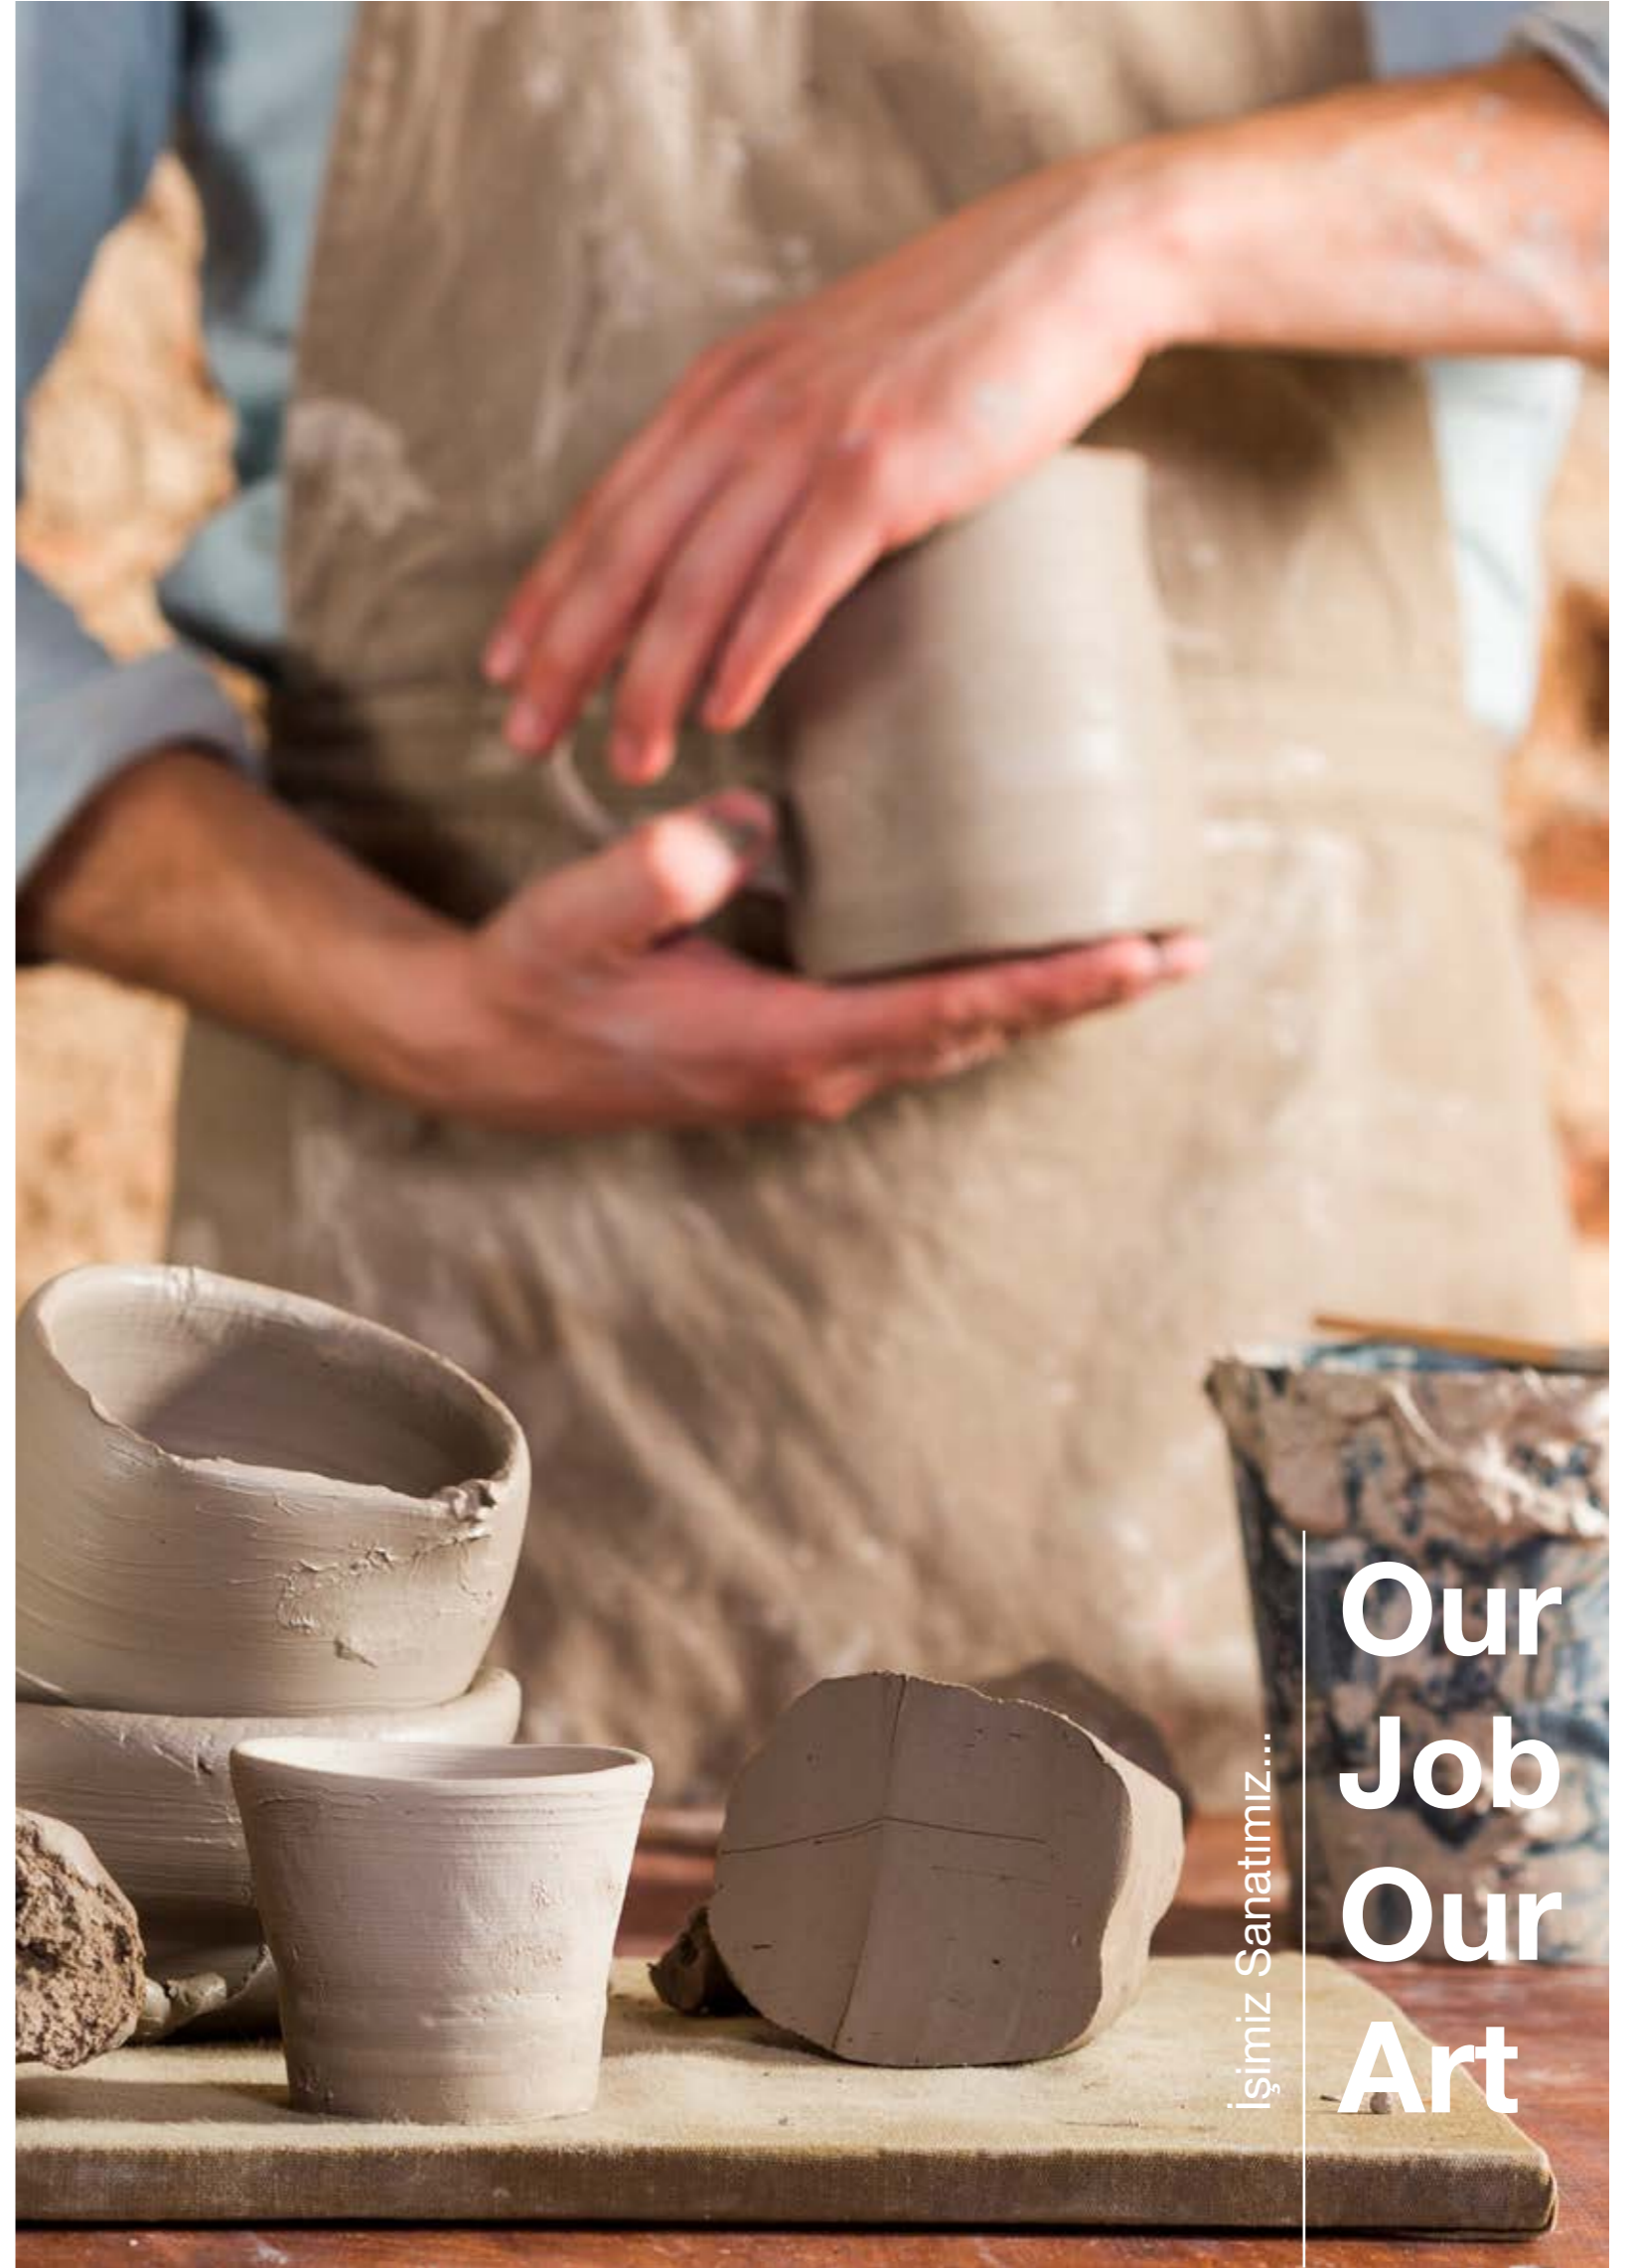

We continue our production with our modern machinery and our trained and experienced staff with the understanding of total quality.

Our goal is absolute customer satisfaction, doing solution oriented and environment-friendly production and meanwhile, contributing to our region's development.

Biz, Stilvit olarak her bir parçayı bir sanat eseri gibi tasarlayan ve üreten bir aileyiz. Amacımız banyoları sıradan mekanlardan öteye taşıyarak estetiği ve zarafeti yaşamın her anına dokunduran vitrifiye ürünleri sunmaktır. Her damla suyun dansını ve her ışığın yansımaları içinde barındıran ürünlerimizle yaşamın güzelliklerini şekillendirmek için buradayız.

As Stilvit, we are a family that designs and produces each piece like a work of art. Our aim is to take bathrooms beyond ordinary spaces and offer sanitary ware products that touch aesthetics and elegance to every moment of life. We are here to shape beauties of life with our products that embody the dance of every drop of water and the reflection of every light.

TORNADO

TORNADO YIKAMA SİSTEMİ

Tornado hijyenik, temiz, devrimci bir sistemdir. Tornado sistemin farkı standart WC' ler de ki gibi geleneksel kenarların olmamasıdır. Tek delikli Tornado yıkama sistemi suyun yüzeyi daha etkin şekilde temizlemesine olanak sağlar, gürültüyü minimize eder. Standart bir klozetin 72 db gürültü seviyesine sahip olduğu düşünülünce Tornado yıkama sisteminde bu oran 64 db seviyelerine kadar düşmektedir.

TORNADO FLUSHING SYSTEM

Tornado is a hygienic, clean, revolutionary system. The difference of the Tornado system is that the traditional edges like in standard WCs is not available. The single-hole Tornado washing system allows the water to clean the surface more effectively, minimizes noise. Considering that a standard toilet bowl has a noise level of 72 db, Tornado washing system, this rate drops to 64 db levels.
